Persia says she's honored to appear in her favorite magazine.

She has always been a great model and this time we thought her shoot was the perfect combination of sexy senior and lusty MILF.

Persia

She started out a little shy, but by the time her clothes were off and she had been licked a few times, Persia was a cum machine. And she didn't disappoint!

When she's not fucking on camera, she says she likes to fill her weekdays and weekends with pussy-stuffing cocks. And the bigger, the better. She says she has no preference to older or younger men as long as they have the man-meat and can keep up with her. Now, we think that may be a formidable task.

*My doctor told me that I shouldn't touch anything alcoholic.
So I divorced my husband.*

how many of your friends would you let screw your wife? it's adult playtime

FROM THE HOT TUB TO THE BEDROOM, LUST HAS NO BOUNDARIES

Drew and my wife Ginnie, broke into the beer he bought the day before. He said his feet were quite sore and would love it if he could go into the whirlpool and relax. Ginnie and I joined him and put on some background music. Ginnie sat between Drew and me in the spa. Drew and I had shorts on and Ginnie was in a swimsuit. We all kicked back talking and sipping brews. Ginnie put her feet up on the edge of the pool and asked us to massage her feet. Drew rubbed and had been moving up her leg rapidly while I was still rubbing her sole and heel. She put her head back with her eyes closed as his hands were up to her thigh.

That got my attention and I figured it was time to help me introduce him to my wife more intimately.

I grabbed his hand and guided it over her swimsuit-covered pussy. I moved the spandex fabric aside and inserted my finger between her labia and over her clit. I looked over to my friend who was smiling ear to ear. Having finished our drinks, I decided to go into the house to grab another round of beers for everyone.

Upon returning, it seemed as if Drew had gotten better acquainted with my wife. I saw her swimsuit laying on

the ground next to the whirlpool and she was sitting naked beside him laughing and talking while rubbing his feet! I suggested he join me as we each suckled at her breasts. Ginnie reached down and helped us each remove our swim trunks and tossed them out of the spa. It was an absolutely erotic scene that was consented to by all of us. It seemed as if Ginnie was thoroughly enjoying being fondled by two men. I enjoyed seeing my best friend appreciate my wife, and he was enjoying have a female who desired his touch and attention. I watched his hand slide back into the depths of her labia to stroke her clit. We caressed her and she returned the favor to both of us. The outside was starting to get as hot as the bubbly water so she thought we would all be more comfortable inside the house, maybe go up to the bedroom?

We got out and dried off and made a naked parade into the house and up the stairs. As she lay on the bed, Drew and I followed and gave her oral attention between sips of our drinks. She told Drew to put on a condom that we have in the drawer. Well, it wasn't a minute later that his covered cock entered my wife. It was the first time she had allowed another man inside her. He complained that he couldn't feel any

Ginnie recognized the naughty act being committed and leaned up to kiss me hard on my lips as she got even wetter, dripping her cum-filled snatch into Drew's mouth.

thing, but I knew that was a lie. Ginnie was giving me a handjob as I watched Drew thrust into Ginnie. She asked me how I felt having my best friend fucking her. I told her it was hot. Drew and I high-fived one another as he continued his assault on her pussy.

Sadly for Ginnie, it was almost over too soon as Drew emptied his semen into the tip of the condom as he held himself inside my slut wife. We switched places and I plowed into her pussy as she removed his condom and sucked his dribbling cock. What a horny sight it was to look at her lips locked around the head of his cock, knowing her tongue was lapping up Drew's cum. I realized she was probably not going to remember what she was doing, so I got up just long enough to grab the camcorder and began recording our actions. As it turned out, Drew didn't remember much, either.

After about ten minutes of hardcore fucking, I blasted my load into her vagina. Ginnie swung over and got on her hands and knees, telling Drew to get behind her, but she told him to put on a new condom. He started whining again, but she insisted. I laid on the bed and she sucked my dick as he tried to ram his semi-erect penis back into the abused hole of my spouse. His attempts at getting back inside were getting weak as it was late, everyone was tired and drunk, and Ginnie has a high ass due to her long legs, so Drew would only be able to penetrate her if he was on a booster seat. Ginnie recognized the naughty act being committed and leaned up to kiss me hard on my lips as she got even wetter, dripping her cum-filled snatch into Drew's mouth.

After reaching yet another orgasm induced by the tongue lashing given by her new lover, Ginnie flipped back onto her back. Immediately, Drew jumped back between her legs and penetrated her pussy, but the condom he had come off, so he was doing her bareback without her approval. She was so exhausted that she didn't notice as his naked prick popped inside her vaginal canal. I continued to record the action as his hairy balls slapped against her anus. Gin-

nie asked Drew, "Am I bad?"

She was in total ecstasy as I smacked her buttock that was exposed as Drew was holding her ankles up by his neck. Drew pulled out and spewed a massive amount of semen onto the crotch and belly of Ginnie. She rubbed her hand through it and jammed it into her pussy. I jumped back in between her legs and imagined that I was helping to push his cum deeper inside. His cum was smeared on her belly and shaved pussy as I slammed hard into her. Within a few minutes, I did as Drew filmed the climax.

It was early morning we finally crashed. The next morning would be very interesting. I got up and made breakfast. Drew was very quiet around me, possibly ashamed that he took advantage of the situation. I

re-assured him that it was something we all wanted, we are all adults, and I wouldn't ever tell his wife. That eased his mind. He thought I would be mad at him, but once he discovered that he had helped fulfill one of my fantasies and made Ginnie feel good, he was more relaxed. The next night was without incident as we all still tired and hung over from the night before, but the following night, he wanted to go back into the spa to relax his leg muscles from the hike he and I took earlier that day. He wasn't used to getting

I slid down flat on the bed, lifting her up onto my face and burying it deep into her dripping and slimy wet pussy.

that level of exercise. He got more than expected when Ginnie joined us, this time none of us wore swimsuits as we entered the water.

The beers emptied and I went back into the kitchen to get a few more. It came as no shock, though, when I came back out to see my wife mounted on Drew in the spa. She was grinding her pussy onto his stiff cock. She leaned into him allowing him to suck her nipples as she braced herself. Within seconds, he was blasting his cum into her pussy, this time without any attempt to pull out. I was happy to see them both so ecstatic as they had a proper fuck. I was looking forward to feeling my cock enter her pussy. Ginnie was absolutely loving being a cum slut. I knew this was something she never would have done with someone else. I laughed out loud at Drew, realizing how quickly he shoots his load.

As Ginnie continued to suck on my cock slowly as she grabbed my hand and slid it down over her pussy. My fingers began to rub over her moist lips, pushing against them as I slid them up and down. Drew's eyes watching us as she stroked and sucked my cock slowly, covering it with her spit. I slid down flat on the bed, lifting her up onto my face and burying it deep into her dripping and slimy wet pussy. Ginnie shouted as I lifted her on top of me and pushed my tongue deep and hard into her pussy as I felt her hands move back down to cock. My tongue working slowly at first, sliding in and out against her pussy lips, till I found the clit. I began to flick my tongue against it. Ginnie leaned forward and moved her body against my tongue as she stroked my cock, keeping it wet and hard. My hands grabbed her ass as I licked her pussy up and down, sucking hard on her clit. My hand smacked her ass hard, grabbing it as I continued on assault on her dripping pussy. She came all over my mouth and finished me off with a slippery hand job that was second to none!

Drew's week ended and when we dropped him off at the airport it was rather awkward because Ginnie didn't know whether to just give him a hug or a loving kiss. My best friend and I have shared many things together over the past few years, and I think it doesn't get much more "sharing" than to share a wife. He was not looking forward to returning to his own wife who neglects and uses him, which is why Ginnie said she wanted to treat him to a little fun. He said he'd be anxiously waiting for his next visit. In fact, he said if he wasn't married, he'd be moving here. I told him I didn't think we could share her forever. Ginnie and I have been having a greater sex life since he left.

She tells me that she thinks about him and wants us to give her the double penetration I had promised her a long time ago. Maybe next time, I told her.

I've finished my story and am going to put the computer away because I hear her coming up the stairs. It's time for a little massage to get us in the mood and then hours of beautiful married bliss.

"Hi baby, come in. I finished the story. Wanna read it?"

Ginnie looked at me as she slowly rolled her tongue up and down my long shaft, covering it with her saliva. She teased my cock head a little by flicking her tongue up and down against it. She then moves her mouth over the head and slowly pushes my cock deep down her mouth and throat, making her gag a little before sliding it out. I moan as one hand massages her breasts and the other rests on her head. Drew watched as her saliva dripped from her mouth and covered my cock and balls.

It was my neighbor that talked me into having my sex life put into photos and in a video. She saw that I was dating a younger man and suggested that I take pictures. He was all for it, and sooner than you can lick a clit, I was on camera, sucking and fucking my young stallion.

Tanya

We've done several scenes together and it's actually quite fun. His older brother takes the shots and video. One day, he may join us.

Our favorite GILF is back and still as horny as ever. Seems like Kelly just can't get enough and we can't get enough of Kelly. Neither can her partners. Known for a voracious sexual appetite, her pussy, mouth and ass are always getting a fierce workout.

Kelly

Today, Rick's ready and willing to oblige. We warned him that he better have his best stamina hat on because his cock's gonna get a real workout.

Oh yeah, every hole filled,
just as we pre-dick-ted. By
the time they were fin-
ished we saw Kelly looking
around the room sizing up
her next partner. Fortunate-
ly it was too late at night
and we all went home to get
a good night sleep. The PA
said he saw Kelly leaving
with the still photographer!

It's not uncommon to find Ryan lounging by the pool on a nice weekend afternoon. So uncommon in fact that one particular pool boy has learned that when she isn't answering her door he can sneak around and get a peek of her lovely, large pair. Sometimes he forgets he's there to do a job.

Ryan

He imagines her fully naked, posing just for him. She would lead him inside using his belt as a leash. She'd strip him down and suck him off, right before throwing him onto the couch and fucking his brains out.

I've been called a man-eater. That's just my business name. While I'm not exactly a man-eater, I am a really good cock-sucker. Any man that has had his cock sucked by me knows what that means.

Cheyenne

But on to other things: my pussy. I know what men want in business and I know what men want in bed.

And I deliver in both places. I can often judge a man's net worth by how wet he makes me.

It didn't take long for him to feel better. As I was about to leave, he pulled me back. He pulled me close and started to get affectionate. Slowly we kissed on the lips, then he kissed my breasts and I couldn't help but return the favor. Before I knew it, we were buck naked on the sofa kissing and licking each other until we both felt good.

i was just a warm up for her girlfriends

SOMETIMES THE BEST WAY TO GET WHAT YOU WANT IS TO GIVE HER WHAT SHE WANTS

It's finally Friday night and I'm getting home from a long, long drive from Tulsa. I park in the garage and enter the house, heading straight for the shower so I can get the day's grit off me. The house is quiet as I step out of the shower, dry off and wrap the towel around my waist. I probably need a drink and make my way to the kitchen and see Simone, my amazing wife, prepping tomorrow night's dinner. I step up behind her and begin massaging her shoulder and neck. She works just as hard as I do and I want to let her know I appreciate it. She let out a small sigh and comments on how good it feels. We make small talk about the day and her plans for tomorrow.

After a few minutes of rubbing her back, she tilts her head to one side, her hair brushing clear of her shoulder. I lean down and start to kiss and nibble at her exposed neck. She giggles a little and smiles as she leans back into me, enjoying my attentions. I stop massaging and wrap her in my arms from the back. My left hand was across her abdomen and my right fell across the top of her breasts. She reaches back and slips her hand under my towel and her fingers flick at my cock and balls.

She's not wearing a bra and my thumbs flick across her

nipples. She's doing nothing to stop me. I pinch her nipples, rewarding me with a gasp of pleasure. My left hand slowly slides down her flat stomach, stopping at her crotch. I can feel how wet she is through her shorts. I rub her pussy through them while my free hand slips under her t-shirt and continues to play with her nipples. We continue like this for some minutes, the only noise heard is the deep breathing and gasps of air as I play with her and she with me.

Simone continues to grind into me and stroke my cock. I find the zipper to her shorts and pull it down. I undo her shorts and pull them down with her panties as I kneel behind her. "What are you doing?" she asks in mock anger as she steps out of her shorts as I pull her top off. I kiss and lick the spot I just bit.

Simone's pretense of resisting my attentions fade and she opens her legs wider and bends forward at the waist, giving me

perfect view of her lovely ass flower. She quivers, quakes and throbs as I suck, lick and probe it with my tongue. My left hand reaches around her and my fingers get drenched as they slide up and down her pussy lips. One finger finds her clit and I begin to tease her by just barely touching it. She moves her hips forward to meet my finger as I continue down between her butt cheeks.

*Our sweaty bodies make it easy for her to slide out
from under me and she drops to her knees before me
and sucks my cock into her mouth*

She starts to wiggle and maneuver her hips and pelvis to find a way to get both her pussy and ass pleased. I sense the juice dripping from her crotch and the smell is marvelous. Suddenly she turns around and leans back against the counter and raises a leg over my shoulder. She pulls my head into her crotch and I go to work on her. I start by kissing the outside of her pleasure zone, slowly licking and kissing down one side and up the other. Then my tongue flits across her pussy lips giving me the first sweet taste of her juice. Slow moans escape her lips as she digs her nails into the back of my head, trying to force it where she wants it.

I slowly lick her slit from the bottom to the top. I stop just before her clit. I make slow laps with my tongue, over and over, poking and prodding, separating her lips, now and again licking a little deeper into her pussy, but I largely leave her clit alone, for the moment. Then I flick it with my tongue now and again and each time I do I'm rewarded with a sharp intake of her breath. While I'm licking her, my right hand is busy with her anus. I get my fingers slick with her pussy juice and slowly run little circles around her tight brown star. I apply just enough pressure to suggest penetration but not quite enough to let it happen.

Slowly, her hips begging to gyrate and buck even more. Her eyes are closed, one hand's entangled in my hair. I sense she can't take any more of this so I slowly push a finger in her ass. With my other hand, I inch my index and ring finger into her hot pussy. These fingers easily find her G-spot and begin to massage it while I finally give her love button the attention she's been craving as I'm now sucking and licking it. My finger in her ass slowly pushes in and out of it, so it's not long before all this sends her over the edge. Her knees begin to buckle as an orgasm surges through her.

She screams out as her orgasm produces a stream of sweet nectar. I drink it all. She almost crumbles to the floor, nearly spent. I catch her, and slowly stand her up. I kiss her full on the mouth, my face sticky with her pussy fluid. Then I throw her onto the kitchen table, her body still twitching from her orgasm. Her pussy lips are wet and dripping. I can see her pussy and ass twitch with anticipation. I take my cock in hand and rub its tip up and

down her pussy. I slowly glide my cock into her waiting pussy. She grabs my hips and tries to get all of me inside her faster. I push in and penetrate her up to the base of my cock. I can feel her pussy dripping on my balls. The table is a bit low so I grab her hips, lifting them from the table. I go long and slow the first few strokes making sure I'm fully coated with her juices. Then without warning I start to slam my cock in to her. I grunt and growl like an animal as I use my arms and hips to help fuck her. She continues moaning as she squeezes her boobs and

pinches her nipples hard.

Suddenly she reaches up for me, trying to sit up in the process. I grab her arms and pull her to me. She wraps her legs tighter around me as I lift her from the table. I pump her up and down on my cock as I stand in the middle of the kitchen. I can feel her nails digging into my back as another orgasm surges through her. I

I start fucking her standing there again as her orgasm subsides. I lay her back on the table and start fucking her harder and harder. She senses that I'm about to blow a big one. Our sweaty bodies make it easy for her to slide out from under me and she drops to her knees before me and sucks my cock into her mouth, massaging my balls at the same time. I'm too close and her mouth feels perfect! I grab thick handfuls of hair as she lets me fuck her throat.

Simone knew that Hope and Sandie had experimented with each other, and she had wanted to also but was to afraid to.

Just as my cock explodes into her wanting mouth, Simone forces two fingers she's been lubing with her pussy into my ass. The sensation is unimaginable! I cum so hard it almost hurts as load after load of hot jizz gushes down her throat. She milks my cock of every last drop, pumping it with her hands as she sucks out everything she can. Simone smiles and stands up before me, wiping cum of her chin with her fingers. She sucks her fingers clean and gives me a deep tongue-filled kiss. I can faintly taste some of my man-juice still on her lips. Silently, we stand there holding one another and softly kissing each other in the middle of the kitchen. I pick her up and carry her to the bedroom. By the time we get there she is almost asleep as I lay her gently on the bed.

It's Saturday today, and Simone has invited some of her girlfriends over for dinner and a party. I helped whip up some desserts for them, but it was Simone's show tonight. They would arrive soon, so she hopped in the shower. She put on some lace underwear and her finest perfume. She loved how it felt to have another woman taste her and feel her mouth against her warm body. Simone knew that Hope and Sandie had experimented with each other, and she had wanted to also but was to afraid to. Shortly, everyone showed up, ended up in the kitchen (yes, I cleaned up), and started reminiscing about the old days and how happy they were to see each other. After dinner everyone went to the living room to have drinks and play truth or dare.

Jennie started it off by saying, "truth or dare" to Simone? Simone, of course, picked dare. She dared her to French kiss Sandie. She walked over and gave her a kiss so seductively that both Sandie and Simone got wet and their nipples got hard. Jennie and Hope gave each other a devilish look and smile. Jennie got up and sat next to Hope rubbing on her soft skin and giving her a seductive look. Simone watched as they kissed and Sandie rubbed on Simone's full but perky breasts, playing with her nipples. They were at full attention just wanting Sandie to swallow them up with her hot wet mouth. Sandie unbuttoned Simone's blouse and took it off slowly. She pulled down Simone's bra straps exposing her breasts. She pushed Simone back on the couch and took in a mouth

full of boob; sucking them as if she was thirsty. Simone groaned and moaned with ecstasy. Sandie went up and down her body with and stuck her fingers inside of Simone's skirt and into her lace panties. Simone's head raised, she moaned uncontrollably as her body started

shaking and her moans were turning into cries of ecstasy. Sandie stuck her two fingers deep inside of her. She screamed as Sandie fucked her faster and faster with her fingers. She came so hard that Jennie and Hope joined in on the fun. Hope told Simone that they were going to give her an experience that she would never forget. Everyone got out of their clothes and took it to the bedroom. Jennie laid Simone down on the bed kissing her ever so slowly, Hope sucked on her wet, hot pussy and licked her clit slowly while Sandie sucked her breasts. Jennie began sucking her breasts and playing with her clit as Hope licked her love hole and making it even wetter. She took two fingers and put them inside.

She moaned and wiggled, tugged at the sheets grabbing Jennie's breasts and sucking them. Simone began eating out Jennie while Sandie laid under Hope and devoured Hope's wet pussy. She sucked it hard making Hope suck Simone's clit even harder. They took turns licking each other and giving each other multiple orgasms. This whole time, I'm sitting at the edge of the bed watching this sweet girlie action going on in front of me. I helped myself to a final release as they all finished theirs. And Simone finally got to experience what she wanted, and to have my fantasy come true.

Tia keeps no secrets. When asked what fuck she remembers most, without hesitation she says it's a big-haired, rock star from the eighties that she did under the stage during his band's show in Los Angeles. She said that was hot, hot, hot. The band was playing an instrumental set and she

Tia

was under the stage with me. The whole arena hummed and vibrated from the noise that she came in five minutes... even before the singer did!

Apparently back in those days, Tia didn't hesitate in fucking a rock cock or two. She confesses to being a groupie and following bands from town to town. If you were horny, there was always sex available. With the band, with the roadies, and even with other groupies, she said. She tried them all and often found herself as the center of attention of more than one band-mate. Three-ways were commonplace, she told us.

I'm here today
because there is

Camryn

Sitting on a chair is
the director sip-

coffee. And coming
through the door is
Cheyne. He and I
are good fuck bud-
dies and we're here
today for you. We're
going to fuck as
soon as the director
tells us to, so get
ready for 'action.'

Cheyne is such a good fuck. He takes direction easily from the director, and from me. He's got a great tongue, and of course a great cock. And he knows how to use both of them to his lady's delight. Today, that delight will be mine. We hear the director say 'cut' as he's licking my pussy. I tell Cheyne not to stop and he doesn't. I cum quietly so no one knows but me and my oral lover.
